How do we become

**excellent readers? We read
and read and read some
more!**

The following students have made
at least 55% of their point goal,
85% comprehension and are on or
above their book goal.

Jack Sweatland	488%
Eli Ragucci	138%
Adrianna Hargett	78%
Riley Nazarchyk	74%
Laila Montgomery	58%

Encourage your child to be
reading and taking AR tests.
It is an expectation that every child
meet ALL goals every month. The 1st
goal is to make 85% or higher on
each test. The 2nd goal is to read at
or above the set level. The 3rd goal is
to make the number of points
established.

Kid's Vote is quickly
approaching! A form was sent
home last week about this. If
your child is interested in
running for any class position
(president, vice president or
secretary) they will need to
make a poster. This poster
will hang in the hall near our
classroom. All students will
need to write a speech, those
running will share it with the
class. We will have an election
in class (with everyone who is
running), from there the
positions will be narrowed
down to the top 3 from each
position- on Nov. 7th we will
all vote using ballots in the
auditorium to decide who our
student council will be. If
there are any questions please
let me know! :)
