

## Frazee's Class Mission Statement

*We, the 5<sup>th</sup> graders of Mrs. Frazee's class, pledge to do our best each and every day. We will strive to meet all of our goals by working hard and persevering. We will be responsible by coming to school prepared, by doing our homework, and by completing class assignments. We will stay focused in class and follow all school and classroom rules. We will become better students by challenging ourselves. We will be kind and respectful to our teachers and our peers. We will work together cooperatively and become more understanding and accepting of others. Together, we can help to make Long Hill a better place.*

*"Learning for all, whatever it takes!"*
