

Mrs. Heathcote's Class

Mission Statement

2017-2018

Mrs. Heathcote's second grade class will be responsible and safe. We will work hard to be respectful and follow classroom rules, listen to our teacher, and complete our work. We will always learn as much as we can and have awesome days! We will be independent students who

work hard every day and
follow directions. We
will be responsible for
respecting others when
they talk, our
belongings, our work, and
ourselves.
