We are learning...

ELA - We are discussing cause and effect relationships while reading informational text

Math - Determining the differences between quadrilaterals. We will understand the differences between a trapezoid, parallelogram, square, rectangle and rhombus.

Social Studies - The three branches of government

Writing - mClass Writing

Congratulations!

October's Terrific Kid is Jesse and our Shining Star is Sam. They come prepared to class every day and ready to work hard. Keep up all the amazing work!

Schedule

Monday - Computers

Tuesday - Media

Wednesday - P.E

Thursday - Art

Friday - Music

Lunch: 11:00 - 11:30

Recess: 11:30 - 12:00

Update

- A big thank you to those who attended the third grade Read to Achieve Night. If you did not attend, PLEASE schedule a conference with me as soon as possible. It is important that I explain your child's data and how this impacts their ability to move on to fourth grade.
- Spirit Days - Reading Rocks Spirit Days will be every Friday. Send in \$2 with your child if they would like to participate!
- We will be taking a Field Trip to the symphony on November 6. Please return the permission slip ASAP!
- Geometry is a vocabulary heavy unit. In order to master this standard, your child will need to know the specific attributes of geometric shapes. Practice a little bit every night!
