### WHAT WE ARE LEARNING

\*Reading- This week we continued our study of cause and effect with Ben Franklin, and non-fiction texts.

\*Math- Multiplication was our focus this week! Keep practicing those math facts. Students have access to games and how to videos for the area model strategy in Google Classroom.

\*Science- We built our own electrical circuits!

\*Social Studies- NC Research

### HOMEWORK

Reading Log- 30 minutes each night  
Spelling- Spelling choices for each night will be posted in Google Classroom and reviewed in class. Students choose one choice for each night.

Math- 5 questions for each night. All problems will be given on Monday for your planning purposes.

Homework will also be posted in Google Classroom if students lose their copies.

### NOTES FROM THE TEACHER

- Next week in reading we will begin to study theme. Students will practice identifying the lesson or moral of a text.
- Our focus in math next week will continue with multiplicative comparisons.
- In social studies, we will begin typing our brochures, and discuss the upcoming class elections.

### IMPORTANT DATES

\*October 12<sup>th</sup>- SMA 4.NBT.5 and 4.OA.1 Multiplication and Multiplicative Comparisons  
SMA- Cause and Effect

\*October 12<sup>th</sup>- Dress like your Dojo character day!
