

Rayman's Hedgehogs

Mission Statement

We, the students of Room 5 promise to never give up. We are going to be respectful to our classmates, teachers, administration, and our property. We will have fun learning and make every day a great day. We are responsible for our actions and the decisions that we make. We listen carefully, try our best, work hard, and have fun together as a class. Every day is a new day to make a difference in our learning.
