

In Mrs. Scott's 5th grade class,
we will be **confident** in all of our work.

We will **respect** our teacher, our class
and our school, and we will do it together.

Our class is **self-disciplined** by our
actions, what we say and how we say it.

We will be **caring** and **encouraging** to
our classmates by listening and
understanding their thoughts and feelings.

Lastly, we will always be **role models**
everywhere we go,
no matter what!
