## Reminders

\*\*\*CLASS DOJO MONSTER DAY IS NEXT FRIDAY THE 13TH!!!!\*\*\*

## Note from Mrs. Smith

October is now in full force! We are elbow deep in Geometry and are also working hard on our Read to Achieve state tests. Please continue to work with your child at home on their Geometry study guide and flashcards. There are so many vocabulary words to learn and little time to learn them. Thank you so much for supporting your child at home.

As I stated last week, there are a lot of upcoming events in October, so please be on the lookout!

Thank you for those of you that were able to attend our Read to Achieve 3<sup>rd</sup> grade parent night. If you missed it, I will be sharing the data that was given out at parent teacher conferences that will be held in November. If you'd like to schedule a conference prior to that please send me a dojo message/note from your child and I would be happy to set one up with you that accommodates both of our schedules.

At the Read to Achieve parent night, Mrs. Shearin shared a link that contains practice passages for you and your child to practice at home. Here is a copy of that link for you to use. I will always include the standard that we are working on so that you can work on it with your child. Once you are in the website, click the link that says "Read to Achieve Overview" on the left hand side. Then click on "Grade 3 Reading Portfolio Set".
