

We, **Stender Stars**, will strive to make our "Dear Teacher Happy". We will accomplish this by insuring we live the School Motto and follow the PBIS matrix! We will meet all three of our Accelerated Reading goals and our ACC Math goal each and every month. We will be diligent in completing our assignments quickly and accurately. We will keep a Growth Mind set! We will ask questions and help our fellow classmates.

If we do this, we know we will do well for each reporting period. We will show growth in all subjects because that is our **JOB!**

We will not TRY only DO!

Because we are...

**STENDER
STARS!!**
