## Note from Mrs. Smith

I can't believe that we are starting November this week! This year is flying by. We are slammed with learning every second of every day. With that being said, I want to remind everyone that being in school is of vital importance. PLEASE try to keep your child at school for the full day. We have had a lot of early checkouts and absences lately which third graders simply cannot afford to have. Due to the heavy assessing that goes on, it is imperative that your child be at school. I do not want them missing any valuable instruction. Thank you for your understanding.

Please don't forget about our upcoming Veteran's Day performance on November 8<sup>th</sup> at 10am. My Smith Smarties have been practicing so hard and I can't wait to watch them shine! What a great way to honor our men and women in uniform! We thank you for your service!

We have a lot of days of and early dismissals this month. Please check the calendar frequently for these upcoming days.

Here is a link for our Parent Practice Passages for Read To Achieve. Once you are in the website, click the link that says "Read to Achieve Overview" on the left hand side. Then click on "Grade 3 Reading Portfolio Set".

This week's RTA standard is: RL.2
