### Teacher's Message:

It is also about time for progress reports to come home! Continue to encourage your children to do their best. We realize the holiday season is upon us but these next two weeks are important.

We will be doing an economic unit in social studies. Each child will make a special craft and have the opportunity to sell their product to another fourth grader. They will be learning how to earn money and manage their money doing this project. The children can work on this project at school and at home. It will be a writing and social studies grade. We are continuing to have conversation about completing all school work. If work is incomplete or missing they will get a 50. As a reminder, a written consent is needed to change the way they go home via note or dojo message.

**Learning for all... whatever it takes!**

### Accelerated Reading (AR)

Please encourage your children to read 30 minutes every night so that they will be prepared to take AR test in order to reach their goals. We are off to a good start reading!! I-Ready Students (students are aware if they are on this.)

Students need to spend 30 minutes a week on the I-ready computer program. The website is login.i-ready.com

### Google Classroom

We have set up Google Classroom for all of our students. Their spelling list will be posted weekly and for math, videos will be posted with step-by-step instructions for the various strategies we will be learning in class. Please make sure your child is getting on Google classroom and utilizing the resources that we have provided.

### Volunteers

A big thank you to Mrs. Pick and Mrs. Roney for volunteering to go on our field trip to the Nutcracker. We really appreciate you doing that for our classes.
