Thursday either a reading  
passage or a question stem

## In class biography project:

Next week we will be learning about biographies and will read two biographies in reading. The students will also be assigned a famous person to research, complete an organizer, and create a poster with facts about their person. Each student will need a large white poster board for this project by Tuesday, Dec. 5<sup>th</sup>.

## How do we become

excellent readers? We read and read and read some more!

The following students have made at least 50% of their point goal, 85% comprehension and are on or above their book goal.

Riley Nazarchyk	89%
Hamoud Alsaïdi	82%
Charlotte Palmer	65%
Elijah Ragucci	64%
Nila Demir	57%

Encourage your child to be reading and taking AR tests. It is an expectation that every child meet ALL goals every month. The 1<sup>st</sup> goal is to make 85% or higher on each test. The 2<sup>nd</sup> goal is to read at or above the set level. The 3<sup>rd</sup> goal is to make the number of points established.
