WHAT WE ARE LEARNING

*Reading- Text structures were our focus these last 7 days. Students were asked to use keywords to decide how the author structured their work.

*Math- We have been working very hard on our multiple step word problems using all operations.

*Social Studies- We painted our NC symbols, and shared NC tribe paragraphs.

*Science- Experimented with oobleck!

HOMEWORK

Reading Log- 30 minutes each night
Spelling- Spelling choices for each night will be posted in Google Classroom and reviewed in class. Students choose one choice for each night.

Math-Spiral Review

Google Classroom assignments are due each Friday unless otherwise communicated. Students have time to work on these throughout the week, but it is their responsibility to have them finished by the due date.

NOTES FROM THE TEACHER

- When we return from break, students will work on identifying character traits. We will learn about factors and multiples. In social studies we will learn about supply and demand.
- If you missed a conference and would like to reschedule please contact me through Class Dojo.
