Teacher's Message:

Welcome back after our freezing cold weather!! It is a new year with lots of exciting things to learn. The children are working hard in reading, math, science and social studies.

At the end of this quarter your children will no longer have the opportunity to correct and return for a better grade. Make sure you have a conversation with your child about putting forth their best effort the first time so this transition will be successful.

As a reminder, a written consent is needed to change the way they go home via note or dojo message. Please send in a note when your child is absent.

Without a note your child will have an unexcused absence.
