NEWS

MOY ASSESSMENTS- As we approach the midpoint of the school year we will be starting our middle of year assessments soon. Please keep encouraging your child to do their very best. Like stated in many conferences, writing is the most challenging (for basically everyone). Please remind them to use details in the text to support their answers.

LIBRARY BOOKS- Recently Ms. Smith in the Media Center has been having a problem with overdue books. Please make sure that your child brings his or her library books to school as Monday so they can be returned or renewed to prevent their books from being past due. Thank you!

Charlotte's Web- For the next couple of weeks in reading we will be continuing our focus on the E. B. White's novel *Charlotte's Web*. Your child will be diving deep in this text- we will be connecting with different characters, discussing problems and changes that occur and predicting what will happen. As a grade level we will be integrating many different activities into the book study!

Parent Survey- If you could please take the time to complete the survey on the following link we would greatly appreciate it! Thank you!
