

Borrer's Blazing Bengals

January 16 – 19, 2018

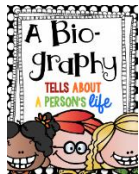

Academics

Reading: Charlotte's Web; character traits; beginning-middle-end
Writing: Narrative
Math: geometry - 2D & 3D
Science - matter

Homework

Spelling - choice board
Math - worksheet nightly; practice basic math facts and doubles
Reading - read for 30 min. nightly

In class biography project:

We are still working on our biography projects. The missed days have, unfortunately, put us a little behind. But we will muster on and the children will present wonderful projects.

Parent Survey Link

Please take a few minutes to complete the Parent Survey. Thank you.

How do we become

excellent readers? We read and read and read some more!

Congratulations to the following students for making all three goals for November and December - their point goal, 85% comprehension and are on or above their book goal.

Riley Nazarchyk
Skyla Pierce
Jack Sweatland

Encourage your child to be reading and taking AR tests.

Calendar

*Media Resource – Thurs., please return books
*PE is on Fridays – please wear Sneakers
Jan. 15th – holiday, MLK Day
15th – Freddy's Night
4:30 – 8:30
22nd – student day off;
Teacher workday
26th – Report Cards go home
Feb. 2nd – Success Day

Please don't forget to send a coat with your child if the weather is cold. We will still go outside so long as the temperature is above 40 degrees.

ACC Math Blitz

In the month of January, each grade level is participating in an ACC Math competition to see which 2nd grade class can pass the most objectives. The students love ACC math! This is an activity that they can do at home on the computer also, and I encourage them to do so when they have some time.
