## Note from Mrs. Smith

We are half way through the month of November! Please remember to stay on top of your AR and keep working towards your goals.

Everyone did a great job at the Veteran's day performance Wednesday. What a great way to honor our men and women in uniform!

I have noticed that a lot of my smarties are asking me questions about things that have been written in the newsletters for the past few weeks. This tells me that we have a lot of people not reading the newsletters thoroughly, so to fix this problem I am offering a homework pass to anyone who signs this newsletter and puts a smiley face in the top right hand corner. Show me the newsletter on Monday to receive your homework pass!

Here is a link for our Parent Practice Passages for Read To Achieve. Once you are in the website, click the link that says "Read to Achieve Overview" on the left hand side. Then click on "Grade 3 Reading Portfolio Set".

## This week's RTA standard is: RI.4
