Standards

• **ELA:** Review main idea and key details in text. Review character traits

• **Math:** - NF.1 Fractions- Understand that a fraction is formed when a whole is partitioned into equal parts. Fractions on a number line

• **Social Studies:** The difference between absolute and relative locations.

• **Science:** Compare the different functions of the skeletal and muscular systems.

April Birthdays

Dannie 4/21

Students have 3 library books from our library every week they are able to read and take A.R tests on. Reading nightly is part of their homework. In order to meet their monthly A.R goals they should be taking tests on their books.

**

Upcoming Events:

4/25/18: Field trip to Methodist Univ.
Permission slips are due NLT 4/20.
Thank you to all parents who have turned them in already!

Help Wanted:

Our Spring Fling is May 11, 2018. This is an evening of fun for all! This is also our annual fundraiser for our school. At the event there is a silent auction where everyone can bid on wonderful gift baskets. All proceeds go toward needed resources for our school. Each classroom has a theme basket and we would greatly appreciate any donations to put towards ours. Our classroom basket theme is "Take it Outside"- all things related to outdoor fun. I would love anything related to outdoor fun or outdoor sports. Thank you so much 😊! Ms. K

***Reading is the foundation for success!
Remember to read every night!**
