Teacher's Message:

It is hard to believe we are in our second nine weeks. We are getting back in the swing of things and students are working hard to complete all center work.

We will be sending home your child's first NC Check-In on Monday. Please take a look at the scores and sign the paper. The children who used strategies did well on both the math and reading Check-in. Please encourage your children to use a math and reading mat daily!

Please continue to encourage the studying of math multiplication facts.

Please make sure to sign your child's contract for math and reading on Tuesday night and return on Wednesday morning with all the work still attached.

Please make sure to send in a note when your child is absent from school. Otherwise, they will be marked as unexcused.

Conferences

If you would like to schedule a conference. Please contact your child's home base teacher. We are available for conferences on Mondays and Thursday at 3:00, 3:15, 3:30, and 3:45. Also Monday and Tuesday at 1:10 and 1:25.

completed all academic centers by Thursday evening.

Fun Friday

To participate in Fun Friday Activities your child must have ALL center work completed for reading and math by Thursday Afternoon at 2:40pm. If work is not completed, your child will be given an additional 2 hours on Friday to complete the work for a grade, however those students DO NOT get to participate in Fun Friday.

Volunteers:

Please make sure to fill out the Parent Volunteer form through the CCS website. You must be approved before you are able to volunteer in any classrooms.
