Note from Mrs. Smith

We are finally in the month of November! I hope that you all had a nice Halloween and are looking forward to the family centered holidays ahead.

We are having another SMA (Standards Mastery Assessment.) in Math coming up this Tuesday that will cover: rounding, multi-step word problems, and missing numbers. I will be posting those scores in the gradebook soon after.

Please make sure that you are also working with your child on the practice Read to Achieve passages that can be found on the website below. They are GREAT practice to the assessment that we will take in class. Read to Achieve online practice website:
